Fair Use Explained

Overview - Defining 'Unlimited'

1. Unlimited means that the amount of data you download or upload is not limited, however, Unlimited does not imply infinite data.
2. You will not be billed for any data usage, nor will a shaping or speed limiting policy be applied to your service when you reach a downloaded and uploaded data limit.
3. Factors outside the control of Amnet may have an effect of altering user experience and download speeds. For example, localised congestion of wholesale supplied backhaul may prevent our wholesale supplier providing the same speeds at all times of day.
4. The maximum data transfer speed of your connection is dependent on physical infrastructure such as your premises distance from the telephone exchange and quality of communications cabling. The speed of your own connection may place a limit to the amount of data that you are able to download.

Applications of this Policy

1. This policy applies to services provided by Amnet Broadband Pty Ltd and aims to ensure that Amnet provides quality services to all of its customers and that no customer is disadvantaged by the conduct of others.
2. In doing so, this policy ensures that all customers do not use Amnet services in an excessive or unreasonable manner.
3. Amnet has the right to vary the terms of this Fair Use Policy at Amnet's sole discretion from time to time. Please visit www.amnet.com.au/fairuse for the most current Fair Use Policy.
4. Amnet may rely on its Fair Use Policy where any customer's usage of the service is excessive or unreasonable.
5. If your use of the service is found to be excessive or unreasonable, we will contact you by phone using the contact details you have provided to us to suggest more appropriate broadband services, or ask you to curtail your usage.
6. If after contacting you, your usage continues at an unreasonable level, this will amount to a breach of this policy.
7. This policy is supplementary to your obligations outlined in the Amnet Customer Relationship Agreement (CRA). Please visit www.amnet.com.au/legal/customer-relationship-agreement for the most current CRA Agreement.

Fair Use Explained (cont.)

Unreasonable use

1. Amnet Unlimited Broadband plans are intended for personal use by residential customers.
2. Without limiting what is meant by "unreasonable", Amnet considers the unreasonable use of services to include:
 - Use of a residential service for business purposes.
 - Resale of the service without prior consent.
 - Heavy usage patterns that cause significant network congestion, disruption or otherwise adversely affect other customers use of the service.
 - Use of the service that contravenes the Amnet Customer Relationship Agreement found at www.amnet.com.au/legal/customer-relationship-agreement.

Breach of Policy

1. If Amnet considers your use of the service has, or is likely to breach this policy, Amnet will notify you immediately.
2. If Amnet considers that use of the service continues to be unreasonable, or if the parties are unable to agree to the changes to the service, Amnet may, in its sole discretion, without liability:
 - Suspend or restrict the service (or any part of it) for any period Amnet sees fit or;
 - Cancel the service by providing 30 days written notice to the customer.
